EE417 Final Project Turn-in Checklist
Instructor: James Rosenthal

Team Name:

Team Members:

Instructions:
(1) Download finaltestvectors.zip from Canvas
(2) All output file names must be of the form **teamname-filedescription.wav** or **teamname-filedescription.jpg** where **filedescription** is as specified below.
(3) Take all output files as well as your code and produce a .zip file named **teamname-turnin.zip**.
(4) Due to the size of this file you will need to submit your file via Canvas. Note: Canvas may enforce a file size limit, please upload well before the deadline to be sure any file size limit can be resolved.
(5) Please check with James to confirm that your file is readable. This is your responsibility.

Turnin Checklist:

√	Test Action	Output Filename
	README file containing your team members' names	teamname-README.txt
